Why Listeners Keep Coming Back to Conspirare Christmas:

“I have never been to a better or more exciting Conspirare concert. The collaboration with Isaac Cates and Ordained was masterful. I felt like I was in the middle of an old time revival, a gospel choir and a jam session all at once. Spell binding.”

“It is an extraordinary experience unlike any Christmas concert I have ever attended! Rather than a collection of extraordinary musical pieces and musicians, it is a musical journey we take together. Thank you!”
